ANABEL G. CABEBE's OBJECTION TO TRUSTEE'S OPPOSITION TO THE
REQUEST TO DISMISS CHAPTER 7 CASE

I, Anabel G. Cabebe, give my objection to the Trustee's Opposition to my request to have my Chapter 7 case be dismissed. My reasons are as follows:

1. No one will be hurt or injured because I and my family will make an arrangement with my lenders and creditors to get paid. If there is any unsecured creditors that may arise in the future then I will make arrangement to settle with them also at that time.

2. I am processing a loan modification to pay off the creditors.

3. The only creditors I know are the mortgage lenders, the car loan and my taxes.

4. I deny responsibility for others who are supposedly claiming I owe them money. They should sue me in a collection case in a proper court.

5. The Trustee has control of my assets so I can no longer decide over my properties, so how can I be alleged to be doing misconduct.
